

As Gouna's mission, we seek to create a better life through providing quality, exceptional, a la mode, innovative, different and exquisite furniture and decorative items for our clients. Achieving this, we make sure that GOUNA's life style and exclusive values are promoted as well.

At GOUNA, with a history of close to 21 years, our vision for the close future is to remain among the top three brands supplying furniture and decorative items in Iran and one of the three major options with a strong market influence among our clients. This central vision will be achieved through purchasing all items from different European and Asian companies and supplying them in Iran under the exclusive brand Gouna. Sustaining high quality of the imports and maintaining customer satisfaction will continue to be our most important commitment.

Gouna Gallery

INTRODUCTION

Gouna takes you through the world of diversity. The world of different colors, textures, styles & materials. Gouna can provide you with whatever you need to enhance the quality of your living space, from a single decorative object to devising a whole plan for your place .

WHAT GOUNA DESIGNS

Gouna's design team including architects and industrial designers is active in interior and exterior design in addition to designing new models of furniture and re-designing popular old ones. Designing and decorating tens of residential buildings, villas, offices, cafes, restaurants ... has been the result through the years.

WHAT GOUNA COLLECTS

By attending each and every credible interior design and furniture fairs all over the world, Gouna keeps itself updated and does carefully choose the items in harmony with it's strict taste, from leading European or Asian companies, and presents them in it's snaps under "Gouna" 's name.

WHAT GOUNA MANUFACTURES

Gouna carries the merit of 21 years experience in manufacture. "Quality" and "distinctiveness" are the main characteristics Gouna has always reached for in design and production. In design and production process of each item namely couches, sofas, chairs, recliners, chaise lounges, artistry, comfort, strength and resilience have been considered as main factors.

THE STORIES BEHIND OUR PRODUCTS

Gouna is not pursuing mass production policy. We wish to fulfill every single demands of clients.

Customers can choose between variety of collected products or have Gouna make their idea become reality.

We can change the size, color, cover, texture and even do some modification to the style according to Customer's taste.

furniture & more

so
